Specific Delegations

The Board has delegated specific and general authority for the Committee to make decisions on behalf of the Board and to approve the:

- Governance Framework;
- Enterprise Risk Management Framework; and
- Compliance Program.
- Insurance strategy and placement (within Board approved budget and five year forecast);
- CSE policies for – Asset Management, Governance, Risk and Compliance;

These specific delegations preclude the Chief Executive (or their sub-delegates) from approving these items, unless the Committee makes a specific sub-delegation in relation to them.

General Delegations

The Committee may also consider and approve, on behalf of the Board, any matter recommended to it by Management (whether it wholly or partly accepts the Management recommendation, or not), where the matter:

- is directly relevant to the Role of the Committee or Responsibilities above;
- does not more directly rest within another Board Committee's delegated authority; and
- is not reserved to the Board in the Authorities and Delegation or any other policy.

In the event of any doubt (raised by Directors or Management) as to whether the Committee has delegation to decide or investigate a matter, the Committee Chair may determine whether the decision is within the delegation of this Committee. The determination of the Chair and the decision is to be reported to the next Board meeting.

These general delegations do not preclude the Chief Executive (or their sub-delegates) from exercising duly delegated authority in these matters.

Composition

The Board will appoint at least three non-executive Directors to the Committee who, in the opinion of the Board:

- Are independent of the Company management and free from any relationship that, in the business judgment of the Board, would interfere with the exercise of their independent judgment as a member of the Committee; and
