

## NATIONAL GREENHOUSE AND ENERGY (NGERS) REPORTING

After completing the form, please submit to the Principal's Representative or other CS Energy staff as advised.  
 The report must be supplied by 15 July following the end of the financial year or upon completion of the contract work.  
 It is a requirement that data be retained for seven years as per compliance with the Energy Sector Retention and Disposal Schedule QDAN618. Records may be requested by relevant authorities for legal or audit purposes.
